

ACMM Monthly News April 2013

Good day ladies,

Hope you are getting those motorcycles all shined up and ready for a great 2013 riding season! We wanted to touch base with you as you have either been in touch with us or have joined us at a recent monthly meeting.

If you would like to be added to our Atlantic Canada Motor Maids (ACMM) Facebook site, please look us up and send a request to join. It's a great way to see what is on the go and learn a bit more about us should you still be considering becoming a Motor Maid.

Our ACMM website is also a wonderful source of information. You can access at www.acmotormaids.com and the main Motor Maid Inc site can be found at www.motormaids.org

Should you have any questions please feel free to contact us and we would be happy to assist.

In the meantime we have some of the following events on the go you may be interested in:

This event is open to ALL female riders and you can join us for any or all of the event if you wish. Ride details ca be found on our website.
