- Advanced Rider Course for ACMM is being held on Monday May 20, 1-7pm, Beachville (corner of Bay Rd & Prospect Rd in Halifax) All ACMM members are welcome to register and if any of our members from out of town wish to participate, I am certain we can find a place for you to stay with the local members. This is a perfect way to kick off a new riding season, learn something new, practice your skills and improve your confidence. The trainers were very impressed with our members skills last year and said it was the best group they have ever taught-lets show them what we can really do! Thank you Lynne for working with Safety Services NS to have this dedicated course offered again this year.
 - \$135.00 ea (regular price is \$165)
 - to register contact Caitlin MacInnis 902-454-9621 ext 227 (as this is a special session, you cannot register online)
 - Please see attached document for more information
 - If you plan on attending, please register early to ensure the course can be held for our members only.
- Please see attached Biweekly Social news from Motor Maids
- Motor Maid District Coins: see attached photos. As some of you may be aware, a few US districts had created district coins and have offered them to other MM districts. At the executive board meeting, it was decided that future coins will only be designed and

developed by Motor Maids (they are looking into the development of commemorative coins). The districts who had coins available are still able to sell them until their supply is gone. They are \$16 ea (includes shipping) and if you are interested in purchasing them, you can contact:

- NC/SC coins: Contact Sandy Reece at ladyvtx1@yahoo.com
 - MA/RI/CT coins: Contact Johanna Lawlor-Moore jobalina@mass.rr.com
 - ME/NE/VT coins: Contact Lil Charron jimmimy106@hotmail.com
- International Female Ride Day-the Eastern Canada MM's have designed a Motor Maid bike flag for the event. The cost is \$5/ea and I have ordered a supply for us. If you wish to purchase one please let me know. You can check out the design on our Facebook page.
 - Motorcycle Show success despite the weather we had great interest and lots of visitors at our booth-thank you once again to those who were able to help out at the two shows this month and to those who were able to help with the gift basket donations. We will tally up the entries but I expect between the two shows we had over 800 ballots filled out! I understand that there are a few women in NB going to the meeting this Sunday in Sussex to learn a little more about ACMM-way to go ladies!

Think that about sums it up! Have a great week ladies and I hope to see you at the meetings this Sunday

Denise
